#### About ALTANA:

ALTANA develops and produces high-quality, innovative products in the specialty chemicals business. The ALTANA Group, with headquarters in Wesel/Germany, is a genuine "global player" with about 85% of its sales generated by international activities. The ALTANA Group has four divisions: **BYK** Additives & Instruments, **ECKART** Effect Pigments, **ELANTAS** Electrical Insulation, and **ACTEGA** Coatings & Sealants. All of these divisions occupy a leading position in their target markets with respect to quality, product solution expertise, innovation and service.

ALTANA offers innovative, environmentally compatible solutions with the matching specialty products for coating manufactures, paint and plastics processors, the printing and cosmetic industries, and the electrical and electronics industry. The product range includes additives, special coatings and adhesives, effect pigments, sealants and compounds, impregnating resins and varnishes, and testing and measuring instruments. At present, the ALTANA Group has 42 production facilities and more than 50 service and research laboratories worldwide. Throughout the group about 5,350 people work to ensure the success of ALTANA worldwide. In 2011, ALTANA achieved sales of more than 1.6 billion euros. Its impressive earning power and high growth rate make ALTANA one of the most successful and innovative chemical groups worldwide.
